

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 26, 1995

SUBJECT: **HB 807 - SB 1472**

This bill, if enacted, will make residential addresses, telephone numbers and photographs of certain law enforcement officers and members of their immediate families confidential and not open to inspection by members of the public.

The provisions of the bill will not apply to elected officials or county sheriffs and will not prohibit access to records by those persons authorized by law to serve criminal or civil process. Any custodian of any record who failed to excise confidential information from the record subject to public inspection will be guilty of a Class C misdemeanor.

The fiscal impact from enactment of this bill will depend upon the number of persons convicted of this offense and the resultant increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill. Therefore, the fiscal impact cannot be readily determined, but is not estimated to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
